

# Alex Caputo-Pearl

## for NEA Vice President

Alex taught for 22 years in South LA. As UTLA president, he is proud to have worked with officers, directors, and member leaders at schools to transform UTLA. Together, we organized a strike that won on salary and classroom issues, made a historic breakthrough on class size, and led to powerful victories for school funding and against privatization. We have protected healthcare and expanded bargaining to community issues. We have become financially stable. We have fully merged with, and become more influential within, NEA/CTA and AFT/CFT. We have built a powerful parent/community/youth coalition. As UTLA NEA VP, Alex will have two foci -- working with member leaders to build powerful site structures and victories for their schools and city-wide; and continuing to build UTLA's influence at the state and national levels, pushing the Red For Ed movement forward.
