

# VOTE FOR EXPERIENCE AND PROVEN LEADERSHIP

**GLORIA MARTINEZ**  
UTLA Treasurer

**ALEX OROZCO**  
UTLA Secondary Vice President

## MEMBER-DRIVEN POWER

With more than 40 years of experience, combined as educators, Gloria and Alex will continue to unify our collective voice, engage and organize all members to win strong contracts and hold LAUSD accountable. Over the past eight years as elected leaders, Gloria and Alex have fought to improve the working conditions of all members including securing more than 20% in raises over this time. They will continue to champion our Beyond Recovery demands, strengthen leader training and continue building powerful structures at school sites and throughout UTLA.

## TRANSFORMATIVE

Gloria and Alex have been instrumental in revitalizing UTLA and making it one of the strongest organizing unions in the country. As UTLA officers, they helped shape a new culture of social and educational justice activism that poised us to have one the most successful strikes in US history, that led to ground-breaking improvements in wages, class sizes, special ed, protected health care and won the best COVID-19 protocols in the nation.

## UNWAVERING

When tested with a pandemic, anti-union lawsuits, wildfires, district bureaucracy, rogue superintendents and any other anti-public education challenges, Gloria and Alex have been fighting and will continue to fight to win on common sense issues. They will organize and advocate for the best agreements that uplift and protect all members and our communities. Their steadfast leadership is exactly what we need in these unprecedented times.

## VISIONARY

Gloria and Alex believe that equity and social justice must be at the center of educational practices. Our students deserve and are enriched by teachers who reflect their diversity and we must fight for the recruitment and retention of educators that create a diverse teacher workforce. They will continue to push a movement for programmatic and systemic changes that uplift our schools and community, including the end to over-assessments and the funding of community schools, BSAP schools, Ethnic Studies and much more.
