

Alex Orozco

for UTLA Treasurer

Alex Orozco, a teacher of almost 20 years and our current treasurer, has done incredible work alongside our Union Power team of officers and directors. As treasurer, Alex has made UTLA financially and organizationally strong and a leading force in the Red for Ed movement. During our historic strike and under Alex's leadership as treasurer, he has led the way in making sure UTLA stays within budget and functions as efficiently as possible. With Alex as treasurer, UTLA stayed well below budget and still provided the essentials for a historic strike and victory. In the time of Janus, one of the most aggressive attacks on unions aimed at crippling workers' rights by bankrupting their unions, Alex has been an instrumental leader in ensuring that our membership remains as strong as ever. Alex didn't just push back against Janus, he has helped make UTLA a leader against these ongoing attacks. Alex is also very proud of his work on the Health Benefits Committee, where he successfully participated in negotiating our current health care package and where he will fight to ensure that we win our healthcare agreement next year. Most recently, Alex was our point officer during the wildfires where he has tirelessly advocated for our members, students and communities' safety and well-being. Along with his experiences in leading committees and organizational plans, Alex continues to work directly with members to empower them at their school sites to push back against abusive principals and unreasonable district mandates. His experience makes Alex Orozco the best candidate to ensure that UTLA's finances remain in the black and continue providing a budget that supports a strong, organizing union that is transforming the labor movement.
