

Benny Madera

for Board of Directors, Substitute Teachers

Benny Madera has been fighting for educational justice for two decades. Serving as Substitutes Director during our strike (which brought many victories for substitutes), Benny is a proven leader. He helped present substitutes' items to the Bargaining Team. He has found much success campaigning for our union-endorsed propositions and School Board candidates. Benny has been a Chapter Chair for substitutes, served on the Substitute Steering Committee, House of Representatives, and the Board of Directors. UTLA President Alex Caputo-Pearl said, "Benny Madera has been a crucial part of the Union Power team in helping lead UTLA in protecting health benefits." Along with valuing the services our union provides to its members, he supports a social justice union that takes action for the Schools Our Students Deserve. As your representative on the UTLA Board, Benny plans to push back against conference period coverages, better our working conditions, and fight to improve our due process.
