

BRENDA BROWN,

CANDIDATE FOR EEC BOARD OF DIRECTOR

RESPECT

My name is Brenda Brown and I am running for the office of Early Education Center (EEC) Board of Director. I have been teaching Preschool for over 26 years, a head teacher for 15 years, and a current Chapter Chair. I am running for EEC Board of Director to make a great impact on how Early Educators are seen and respected. I will fight for new innovative measures for our teachers to move up the salary tables and provide better opportunities to prepare for retirement.

PAY

EEC Teachers are working hard to provide for their families and future. Our teachers face significant barriers due to non Elementary Credentials. The language needs to change to make us inclusive to our fellow teachers. Instead of K-12 ,Pre-K -12. I will work to protect working conditions and provide resources to allow Teachers to be more effective in serving our children and families. Let's build and work together for respect, inclusion and the pay you deserve.
