

# **Valley West Is the Best because of all our members!!! We are here for you once again!!!**

Our team has been proud to support and serve you for two terms, and we are proud to announce that we wish to be with you for another term!

This past school year, our strike united us all. Our new contract included some major victories, but we all know there is much more to accomplish.

We continue to hold the district accountable for the actions of ineffective school site administrators. This past year, due to some very hard work, we were able to remove a district administrator out of LDNW to Beaudry! A huge victory to remove a truly nasty and unprofessional staff relations person.

We will always work with LDNW to have a cohesive relationship between LAUSD and Valley West. Only with a good relationship, we can accomplish much! But let's not fool ourselves. The district will always look to do nothing, and it's our job, as well as our chapter leaders across Valley West, to hold accountable, and if needed, remove ineffective administrators. With new contract agreements, we know the district will try and sidestep us and not adhere to our contract.

**TOGETHER, WE WILL HOLD THEM ACCOUNTABLE!  
LET'S DO THIS!!!!!!!**
