

Cecily Myart-Cruz

for UTLA President

Over the last 24 years, I have organized school sites, led campaigns against toxic testing, built partnerships to bring more socio-emotional help to campuses, organized parents to fight against co-locations, been part of bargaining teams that brought significant raises and protected healthcare, and I have held the district accountable at every level, from school site principals to the superintendent. I am a social justice advocate and as UTLA President, I will lead the fight for empowered school communities, pushing for real systemic change within our public schools where all students can be successful and all educators including HHS personnel are supported and respected.

I am a proven fighter with a strong track record!
