FOR SPED DIRECTOR

**My priorities will
continue to be:**

- **Working with affiliates on legislation to reduce caseloads and increase funding**
- **Be a resource for you when dealing with SPED contract language, law or ED CODE**
- **Create spaces for SPED members to provide input and increased communication**

As your Special Education Director, I have taken your concerns and needs to the district, to bargaining and even to Congress!

Fighting for special education is not just my job, it is my passion!
