*"As a long-time classroom teacher, I believe that the rank and file should be part of the decision-making process in our union. As Treasurer, I will ensure that UTLA's racial and social justice priorities, beliefs and values are supported and reflected in our budget. To be ready on Day 1, I attended the CFT Treasurer Training Conference, which allowed me to understand all the duties of this important office. I will be an important member of the Unity and Strength team as we continue to lead here in LA and across the nation."*
