"Listening to members strengthens us. As your Elementary VP, I have learned that love for our students and our profession will always win. From the classroom to the streets, ballot boxes to the federal government, I have been proud to represent our members, our students and our communities to bring about the transformation of our union. I am proud to have grown as a leader alongside with you all. I look forward to continuing on the work we started, to build the fight for educational justice for all."

Gloria Martinez, UTLA Elementary Vice President

"It has been an extraordinary honor to serve members as UTLA Treasurer during some of the most challenging and unprecedented times in our history. And as we continue to face uncertainty, it is essential to have a team that is ready to roll up its sleeves on day one to build power and win fights on behalf of our members. My tenure as Treasurer has prepared me for the next chapter as an elected officer and leader.
