

North Area Unity & Strength

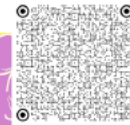

My name is Jasmine Wang (she/ella/她) and I am a 9th year secondary social studies teacher at Downtown Magnets HS and current North Area Board of Director, cluster leader, and CAT member. Beyond being an educator and union leader, I am also a single mama of an LAUSD pre-teen, daughter of immigrants, Students Deserve organizer, and LAUSD graduate. Because of my background, this fight is personal in that the fight for educators is also a fight for our kids. As a busy single parent, I know it's difficult to participate in union activity but will put in the work to engage members at every level and center our most marginalized to build membership power.
