# UTLA Adult Education Director

The independent candidate who will fight for adult education teachers, not for a union faction

## A FAIR DEAL for ADULT EDUCATION TEACHERS

**Adult Ed Teachers on the T-Salary Schedule and Matrix  
Tenure for CTE teachers NOW  
Split-Shift Premium Pay  
Flexible Leaves**

### **Adult Education Teachers Deserve the Same Deal as K-12 Teachers and They Need Leadership Who Will Stand Up and Fight for Them**

Adult education teachers have for too long been left behind. As hourly employees, our wages are far below what they would be if we were on a salary schedule like K-12 teachers, and our retirement would increase substantially.

### **Adult Education Teachers Need Leadership Who Will Fight for the Important Items**

Adult education teachers marched for 10 days in the rain and basically all we got was wet. A historic strike, and adult education teachers got basically nothing. I will make getting adult education teachers on the T-salary schedule and the Matrix a priority.

### **No Adult Education Czar**

The current adult education director is also the chair of the Adult Education Committee, occupying both top spots for adult education leadership in UTLA, which we have always sought to avoid. No one can possibly handle both jobs adequately, each is full-time.

### **I have the experience and the fight to represent adult education on the Board of Directors**

Active in UTLA since 1999

Served as Adult Education Director for three terms

Experience as a paid information specialist at UTLA

Handled dozens of grievances for adult education teachers, and has helped win unprecedented back pay

Fought for expansion of site organizing for adult education, and as chapter chair made the steering committee central to chapter governance

Acted as representative multiple times to the national conventions of the National Educational Association and the American Federation of Teachers, as well as the conventions of the state affiliates, the California Teachers Association and the California Federation of Teachers
