I am Monica Caballero, and it would be my honor to serve as Harbor Area Chair. I have taught Special Education for 9 years and welcome the challenge because all students can learn with appropriate support and high expectations. Nothing brings me greater joy than witnessing my students succeed, thanks to my labor of love. It is the same love I pour into union activism. I am called to do this work because of my love for all children and solidarity with all workers.

As Harbor Area Director and Immigrant Justice Team Lead, you will find me fearlessly enforcing our contract, organizing with members, attending rallies to champion the common good, and building relationships with members and community partners. I am a leader who is not afraid to tackle ad hoc issues to the best of my ability, drawing on my experience as a Board Director and in many other leadership roles. However, I know it is not possible to do this work alone, so I will continue to build power with members to fight to protect our contract, livelihood, and profession.
