

Noah Lippe-Klein

for Board of Directors, UTLA West Area

I am Noah Lippe-Klein. I am honored to continue serving on the UTLA Board of Directors, representing West Area.

Last year's strike helped us win on issues that we had never won before. Our new contract won us nurses, librarians and Community Schools. We also eliminated section 1.5 of the contract which allowed the district to unilaterally raise class size. By going on strike and building power with students, parents and community, we also made real progress in Making Black Lives Matter in Schools work by eliminating LAUSD's racist random search policy.

Our strike was part of a national movement of teacher and union/community alliances to fight for public education, halt privatization and demand racial and social justice in our schools and beyond. Building this movement with Students Deserve, with Black Lives Matter LA, with educators across the hallway, in the elementary school down the road and with teachers across the city, state and nation is deeply inspiring. Let's keep building our Power.

Please vote Cecily Myart-Cruz for President and for the entire Union Power team.
