I have worked with the Los Angeles Unified School District for twenty-five years in Early Childhood Education. While working with the district I earned my Masters degree in Early Childhood Education. I have worked as a Head Teacher alongside the Principle to lead instruction that impacts the decisions of the Center. I Participated in the 2019 strike and every action up to strike day, I assisted the principal in the beautification project for the center. I have been appointed Master Teacher for LATTC. The Pandemic is threatening to push EEC aside. I will continue to fight for your jobs, as your Director I will stand UP for your rights..
